Adverbs of time (temporal adverbs) these are words to develop chronology in writing.

Stage: 5	Spelling Rules: Adverbs of time (temporal adverbs) these are words to develop chronology in writing.
List: 14	

Spellings	Introduction	Adverbs of time are added to writing to develop time frame and chronology. Ask children if they can think of any of these sorts of words?
afterwards		
immediately	Main Teaching Activity	Give the children the blank cards and ask them to copy down the spelling words, one to each card (can be done in pairs). Ask them to decide a way to group the words based on any links they can find. E.g. they could do a group of words that mean 'in the past' (e.g. previously) a group that are 'during' (whilst) and a group for 'the future' (e.g. tomorrow). Can they add any more to their groups of words? For example currently, next, soon, still, later, now, last year....
