Many schools have a rule that children wear school uniform. Some children and parents are quite happy to follow these rules, but others disagree. Wearing school uniform means that nobody looks smarter or more fashionable than anybody else. Also, having to wear a school uniform prevents children from asking for expensive fashionable clothes. However, children cannot show that they are individuals if they are all dressed alike. Furthermore, children grow quickly, so wearing a uniform means that they don't get the wear out of their ordinary clothes. In conclusion, there are many reasons both for and against wearing school uniform. It is important, whatever is decided, that every child feels comfortable with what they are wearing.

## 2. Spiders

Many people are scared of spiders. These animals, however, have several benefits to humans and very few in Britain can do any harm. Firstly, spiders get rid of house flies so don't worry if you find spider webs in your house; they're for catching insects. Secondly, spiders also keep gardens free of insects that might damage plants. It is a well-known fact that spiders (even the large ones) are delicate and easily injured, so be kind and do your best not to hurt them. Besides, even the biggest British spiders cannot seriously harm you as they only bite in self-defence. Therefore, if you leave them alone, they'll leave you alone. There is no need for anyone to be terrified of spiders. In fact, spiders are more frightened of humans than we are of them! Furthermore, spiders are very intelligent creatures. They know how to spin their complicated webs without having to learn.
