Aim

- I can use commas to make sure the reader understands precisely what I am trying to say.

Success Criteria

- I can tell when the meaning in a sentence is unclear.
- I can suggest different meanings that a sentence could have.
- I can add or remove commas to clarify the meaning of a sentence.

Introductory Activity

Can you give the reason that commas have been used in each of these example sentences? Discuss your thinking with a partner.

Max had bought cheese, pears, sausage rolls and pickle, especially for the picnic.

Artem, who was only 9 years old, was a better piano player than many students twice his age.

meaning of the sentence.

"I was amazed at how much I had got done in the day," she said.

When they finally reached their destination, they realised he had been right all along!

The artist, who was a bit of a dreamer, sat and painted the sea.

You may have already learned about using commas in these situations:

To separate items in a list.

After a fronted adverbial.

To indicate extra information in a sentence.

After direct speech.

This lesson may call on your knowledge of general comma use but it is primarily about using commas to make the meaning of sentences absolutely clear. On some occasions a comma may be needed even though there is no grammatical rule that requires it.

Sometimes a comma can make a huge difference to the meaning of a sentence. Consider these two interpretations...

**Lower,
please!**

Lower please!

A stylized illustration of a landscape. The sky is a gradient of yellow and orange, suggesting a sunset or sunrise. Below the sky are rolling hills in shades of green and yellow. In the middle ground, there is a body of water with light blue and white clouds. The foreground is dominated by green grass and several trees with brown trunks and green foliage. The overall style is simple and illustrative.
