1

When changing a word from 'ent' to 'ence' you can follow a rule. From the spelling list words can you spot what happens each time?

The final 't' is removed before 'ence' is added.

2

Now practise your spellings using the guidance on the board.

There is a rule we need to follow when changing from –
ent to –ence.

Have a look at the spelling list. What do you think the rule
is? Be ready to feedback to the class.

Rule: Take off the t and add the –ence

Excellent ---- excelen ---- excellence

Is there anything else you notice?

(We just need to add ce as en is already there).
