**Previous
Question**

If someone in our family feels poorly with a cough or a high temperature, we must all stay at home.

True

False

A cluster of colorful balloons in shades of blue, yellow, pink, and red is positioned in the top-left corner of the slide. The balloons are partially cut off by the edge of the frame.

TRUE! Just to be on the safe side, the family should stay at home until everyone is feeling better.

Next Question

**That's not the correct answer.
Try again.**

**Previous
Question**

If we feel worried, we shouldn't talk about it.

True

False

**That's not the correct answer.
Try again.**

**Previous
Question**

FALSE! It is perfectly normal to feel a little bit worried about coronavirus and it is important to talk to someone about it. You'll feel better if you share your problems – everybody is going through it together!
