Monday 1st September 2025

Dear Parents/ Carers,

### **Welcome Back - New Academic Year 2025/2026**

I hope you have all had a wonderful Summer holiday. I look forward to welcoming all our Delta children back to school alongside our new Reception children on the first day of term, which is **Wednesday 3rd September**. I expect all our Delta children to arrive promptly at **8.45am** and to be collected at **3.15pm**.

We also expect all of our children to come into school every day wearing the correct school uniform. If your child does not wear the correct uniform to school, then a phone call will be made and parents/carers will be asked to bring it into school.

#### **Entrance to the school:**

**Year Reception Kahlo Class** - parents will need to accompany the children and will need to enter the school via the **right hand, green gate through the Reception playground**. There will be a marked area outside the class door, where you will be expected to drop and collect your child each day.

**Year 1/2 Mandela Class** - parents will need to accompany the children and will need to enter the school via the **main green gate through the Main playground, then through the side green gate pass the school office and down the footpath to the Wellbeing garden**. You will be expected to drop and collect your child each day. The class teacher will be waiting to collect/dismiss the children each day.

**Year 3 Angelou, Year 4/5 Farah and Year 5/6 Jemison Class** - will need to enter via **the main green gate to the Main playground**. All children will be expected to independently walk and line up, where they will be greeted by their class teacher, before entering the school building.

#### **Scooters and Bikes:**

If your child brings their scooter or bike to school, they will need to use the **pedestrian green gate on the left hand side of the school**. Children are expected to walk along the path with their scooter or bike. Then place them securely in the Bike Shelter, which is located in the Active playground. Then walk through the side green gate, near the school office and join their class line in the Main playground.

At the end of the school day, all the children will now wait with their class teacher to be dismissed when their parent/ carer collects them and then they will go and collect their scooter or bike and walk down the pedestrian green gate when leaving the school site. This is to ensure the safety of all our children and families. Please see the poster below, which will also be displayed on each entrance/ exit gate.
