Friday 3rd October

Dear Parents/ Carers,

Re: Year 5/6 Jemison Class Science Museum Trip – Friday 17th October

We are planning on taking Jemison Class on a fun and educational trip to the Science Museum on Friday 17th October. The children will be visiting the wonder lab to explore the interactive experience set over different zones where they will interact with real scientific phenomena as well as visiting the Galleries to find out more about our science topics.

Children will need to arrive at school at **8.30am**. We will be travelling by tube and train and returning to school at approximately **3:30pm**.

Your child will need a packed lunch however if you would like the school to provide this, please let us know on the form below. The same rules apply to packed lunches on trips that apply every day at school – **no fizzy drinks, energy drinks or glass bottles and no items with nuts**. Please ensure your child is in school uniform with comfortable shoes.

There will be no cost for the trip and no additional spending money is required. If you require further information about the trip do not hesitate to ask.

Please fill out the google form to give permission for your child to attend.
