Dear Parents/ Carers,

Year 4/5 Farah The Pantry - 'Farm to Fork' In-School Workshop - Tuesday 13th January

As part of our Geography lessons, the children will have the opportunity to explore where the food used in our school lunches comes from. The children further develop their knowledge and learn more about sustainably grown produce. We have invited a nutritionist from The Pantry to answer questions that the children have prepared in class.

This will be a fantastic opportunity for them to learn more about local food sourcing and the journey food takes from being grown in the farms to arriving on our plates. The children will be involved in recording these interviews and taking notes whilst 'Thinking like a Geographer'.

The workshop is free and will take place during school hours on **Tuesday 13th January 2026**.

Kind regards,

Mahadi Kyeyune
