

Monday 16th March 2026

Dear Parents/ Carers,

**Planned Road Works in this area: Nightingale Rd junction with Hertford Road, N9 7HL**

**Start date and End date: 23<sup>rd</sup> March 2026 to 19<sup>th</sup> April 2026**

The school has been informed that Enfield Council will be carrying out planned road works to improve the heat network piping in the local area. You may have already noticed the yellow signs outside school on Nightingale Road.

We are requesting that families who travel to school from Hertford Road, to leave in good time or to use an alternative route. This is to avoid your child/ children being late for school in the morning. It is really important that children arrive at school on time, so that they are settled, marked present for registration and have a smooth transition to the start of the first lesson. This also applies to when your child/ children need to be collected at the end of the school day at 3.15pm.

**When will the work take place?**

Works are scheduled from **23 March 2026 to 19 April 2026.**

**Monday to Friday 08:00 – 20:00 and Saturday 08:00 – 17:00**

**What to expect**

To carry out these works safely, temporary traffic management will be required:

- Temporary four-way traffic lights will replace the existing signals at the junction of **Nightingale Road and Hertford Road.**
- A lane closure will be in place at the junction of **Hertford Road and Nightingale Road** to enable the installation of the heat network pipework.

Please see attached the map also showing where the planned roadworks will be taking place.

Thank you for your continued support.
