

June 2026

Dear Delta Primary School community,

Congratulations!

I am delighted to let you know that Delta Primary School has been selected as a **Joint Runner-up** in the **Kind School Award** at this year's National Kindness Awards.

We received a large number of impressive nominations from schools across the UK, and after a very competitive judging process, only one winner and two joint runners-up were selected, so this is a fantastic achievement.

The judging panel was particularly impressed by the measurable impact of your work and the way kindness has been used as a powerful driver for positive change across the school. The remarkable 72% reduction in behaviour incidents stood out as clear evidence of the positive culture you have created.

The judges also loved the opportunities you provide for pupil leadership through your Kindness Ambassadors, as well as initiatives such as the Kindness Jar and peer recognition, which help to celebrate and encourage kindness throughout the school community.

They were equally impressed by your strong engagement with families and the wider community, and by the clear alignment between your school's values and the outcomes you are achieving. The judges felt your entry was a wonderful example of kindness being embedded throughout a school in a way that creates meaningful and measurable change for pupils.

Congratulations to everyone involved. You should all be incredibly proud! This award is thoroughly deserved.

Best wishes,

Jaime Thurston
CEO and Founder
