

Dear Parents and Carers

As we approach the end of the academic year, it is time to reflect and showcase that kindness is our superpower, and we are proud to be a small nurturing community with high expectations for all. The achievement and wellbeing of all the children is at the heart of everything we do. Once again, we have instilled strong foundations by inspiring curiosity, embracing diversity and creating opportunities for remarkable futures.

Sports, drama, music, alongside our personal development and cultural capital offer, have provided opportunities to simply enjoy time together and be kind, which all play an important role at Delta. These experiences help our wonderful Delta children to develop confidence, resilience, teamwork, kindness and friendships, whilst creating memories that will stay with them long after they leave our school.

The Summer term was rather busy with many statutory assessments. We are incredibly proud of all our children's achievements, and with these phenomenal results! Here are the following headlines:

- **Early Years:** 80% of pupils achieving a Good Level of Development. This is above the estimated National average of 72%
- **Year 1:** 92% of pupils passed the Phonics Screening Check. This is above the estimated National average of 82%
- **Year 4:** 61% of pupils scoring full marks in the Multiplication Tables Check. This is above the estimated National average of 44%
- **Year 6:** 72% KS2 Reading, Writing and Maths Combined. This is above the National average, which is 63%
78% of pupils achieving the expected standard in Reading. This is above the National average, which is 75%
72% of pupils achieving the expected standard in Writing. This is in line with the National average of 73%.
78% of pupils achieving the expected standard in Maths. This is above National average, which is 75%.

Overall, we are working above national average in all statutory assessments, which is a great achievement in itself. Our Year 6 children also achieved the following:

- 39% pupils working at a higher standard in Reading
- 17% of pupils working at a higher standard in Writing
- 44% of pupils working at a higher standard in Maths

We would like to thank all our wonderful Delta staff, who have continued to show their dedication and commitment to the school. A fond farewell to Victoria, Mahadi and James, who have decided it is the right time for them to take the next step in their careers. We also have to say goodbye to Abbey and Lucy, who have been teaching the current Year 1/2 Mandela from the start of the Spring term. Abbey is returning back to live in Australia, and Lucy is pursuing a career outside teaching. I'm sure you will join the school in thanking and wishing them all the very best of luck!

Finally, we would also like to express a heartfelt thank you to all our wonderful Delta children and families. It has been an incredible privilege, and our absolute honour to lead, manage, and serve this very special school community. We are immensely proud of the journey we have been on together. Our collective goal has always been to provide an Outstanding education for all our Delta children, and we are so pleased with the continued progress we have made towards that vision. This achievement is a testament to the dedication of our staff, to the hard work of our children, and the fantastic support we receive from you, our Delta families. Thank you! We know we are leaving our lasting legacy but wish David Wilson (new Executive Headteacher), Flora Georgiou (new Head of School), and the new members of the Delta team the very best of luck!

Sarah Roberts - **Executive Headteacher**

Bindya Chapaneri - **Head of School**

KIND SCHOOL AWARD RUNNER UP 2026

We are thrilled to have been awarded the Kind School Runner - Up Award 2026 at this year's National Kindness Awards. We are delighted that Delta has been recognised. Thank you to Jaime (CEO and Founder) and Greig from 52 Lives School of Kindness, who sent the school a personal video message, a wonderful letter, our Kind School Award Runner - Up logo, and trophy, which are all now proudly displayed in our school. Finally, as we say to our Delta children 'Kindness is our Superpower!'

GOODBYE AND GOOD LUCK TO OUR YEAR 6 CHILDREN

During the Summer term, Our wonderful Year 6 children have truly had an amazing experience filled with long lasting memories, as their school journey comes to an end.

Firstly, on Thursday 4th June, Year 6 went on their residential trip to Scout Park in Bounds Green. The children absorbed every activity like a sponge, where they got to participate in forest school activities, team building games, a scavenger hunt, fire craft, building a campfire, toasting marshmallows and archery! We were also very impressed with their bed-making skills and how sensible they were during meal times, where they didn't forget their manners. The children had returned to school all safe and sound, and were eager to discuss their wonderful experience!

Secondly, on Wednesday 8th July, it was such a delight to see our the children perform 'The Wizard of Oz' to their parents and families, The hall was transformed into the magical land of Oz, where each and every child showcased their true talent, and were able to perform various songs, solo pieces, act, and play the well known characters from the 'The Wizard of Oz.' We are tremendously proud of all the children efforts who were truly destined to be performing in the West End!

Finally, on Wednesday 15th July, the children performed their final assembly to their parents, fellow pupils and staff. They shared their fond memories of their time at Delta, performed a song and were treated to a trip down memory lane by Victoria! The children also got to enjoy their Leavers party and had fun dancing and eating pizza together, before they all go their separate ways and start the next chapter of their school journey at secondary school. We will miss you Year 6!

SCIENCE WEEK

The whole school participated in Delta's Science Week 2026! The theme was all around "Curiosity" – challenging the children to ask questions about the world around them, and developing their resilience as they investigate the answers to those questions. It's been amazing seeing them plan out scientific enquiries, making predictions, and using their measuring skills to accurately record data. They have worked on four investigations:

- How can you tell how old a shark is?
- Does toast always land butter-side down?
- How do boats float?
- What's the best design for a paper aeroplane?
- What happens if you mix oil and water together?

We want to congratulate the children on their curiosity and resilience. They've done an amazing job as scientists, conducting these various investigations.

SPORTS2INSPIRE MULTISKILLS FESTIVAL

Some of our KS2 children had the marvellous opportunity to participate in the Sports2Inspire Multi Skills Festival. The children showed great sportsmanship and team work, where they competed against children from our other Trust schools – Chesterfield and Hazelbury Primary School. Zak Guerfi, the Founder of Sports2Inspire commended that, *“All the children had come together and were united through sport.”*

FATHER’S DAY STAY AND PLAY

Year 3 Angelou and Year 4/5 Farah Class had the pleasure of their Dads, Uncles, Grandads and any other family members coming and joining in the Father’s Day Stay and Play! Once again, we were blessed with such glorious weather, and the playground was filled with joy and laughter, where the children loved playing and being children! Everyone enjoyed spending quality time with their loved ones through the various playground games.

WHOLE SCHOOL ART EXHIBITION

On the 1st of July, we welcomed all our Delta families to our Whole School Art Exhibition. The school looked remarkable, showcasing some of the children's artwork from this year! The school follows the Kapow Primary curriculum for Art and D&T units, where the children are taught different knowledge and skills while being inspired by specific artists. Thank you for all the wonderful, positive comments we have received from the whole school community. We would also like to thank all our dedicated staff and children for transforming the school with all the displayed artwork.

YEAR 3 ANGELOU UKULELE

Year 3 Angelou had a remarkable opportunity to learn how to play the ukulele! Each week, a specialist music teacher from Enfield Music Services came to the school and taught the class. The children were able to showcase what they had been learning during a performance to their parents. We are very proud of how well the children learnt to play various songs on the ukulele in a short space of time. Thank you to all the families who attended the performance.

YEAR RECEPTION KAHLO & YEAR 1/2 MANDELA SONGSACK PERFORMANCE

Year Reception Kahlo and Year 1/2 Mandela performed their Songsack performance to their families. Again, we have had a specialist teacher from Enfield Music Services coming into school to teach the children during the Summer term. We are very proud of all the children for showing such confidence and for their ability to sing and learn a range of songs.

WHOLE SCHOOL POETRY PERFORMANCE

Once again, we had a tremendous turnout for this year's whole-school Poetry Performance. Each and every class recited their poems with such confidence and passion! Thank you to all our wonderful Delta families who attended this well-loved event in the school calendar.

SCHOOL TRIP TO FRINTON-ON-SEA

On Friday 3rd July, the school took the children to experience an unforgettable day on the beach at Frinton-on-Sea. The sun was shining, and it was pure joy making long-lasting memories with our wonderful Delta children. It was magical to see all the children living their best life, and the sheer excitement of making sandcastles, dipping their feet into the sea, eating their picnic lunch, exploring the coastline, taking a stroll on the beachfront, and seeing all the colourful beach huts that overlooked the beach. Finally, the singing, the chattering and the sleepy children on the coach journey home, sounded like they all had a terrific and worthwhile trip to the beach!

YEAR RECEPTION MINI OLYMPICS

Last week's heatwave didn't stop our Reception Kahlo Mini Olympics! Rest assured, we did shorten the time so that the children could still enjoy themselves, and not miss out on the well-loved annual event. The children were divided into two teams, where they all participated in various activities: beanbag throwing, balancing the quoit, obstacle course, and not forgetting, the egg and spoon race! We are so proud of how all the children showed great teamwork and sportsmanship. Thank you to all our wonderful parents who attended and sheltered in the shade to watch their children.

KS1 AND KS2 SPORTS DAY

Another day of high temperatures! Again, this didn't stop us from having a shortened version of our annual Sports Day. The children were split into coloured teams across the Key Stages, where they participated in similar activities to the Reception children. However, they had additional activities such as a sack race and football dribbling. All the children showed great teamwork. The overall winners were the Purple team, but all the children did very well to compete in each event.

FIRST YEAR AT DELTA COMPLETED!

We can't believe our Reception children have completed a full school year! Our wonderful Reception children created a little keepsake as they get ready to transition to Year 1. A special reminder of a year filled with curiosity, learning, laughter, friendships, and so much growth! We are very proud of you all, and we can't wait to see you continue to blossom during your primary years at Delta!

PUPIL OF THE TERM, OUTSTANDING KINDNESS AND ATTENDANCE BREAKFAST

We celebrated the children's achievements in our end of year assembly with our Pupil of the Term, awards for excellent effort and attitude in all curriculum subjects, Outstanding Kindness and our 100% Attendance Breakfast for the Summer term. Congratulations to all of our award winners!

DELTA CARNIVAL

To celebrate the end of the school academic year, the whole school took part in the 'Delta Carnival.' The playground was filled with a joyous atmosphere where the children experienced the sheer excitement going on the bouncy castle and inflatable slide, wearing stick-on face gems, and enjoying various carnival games, music, dancing, popcorn, ice lollies, and drinks too! You can see more photos on our Instagram page @delta.primaryschool

DELTA'S GOT TALENT

Finally, we celebrated the end of the academic year with another popular event: Delta's Got Talent! It really is impressive how much talent we have amongst the children, from boxing, to singing, to dancing, to gymnastics, to playing the keyboard blindfolded, and so much more! The eruption of laughter and support was a magical moment!

Delta's Got Talent Judges -
James Cowell, Rea Dixon, Mahadi KSI and
Victoria Holden

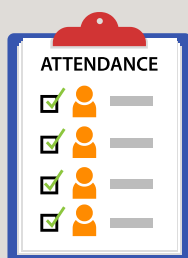

SCHOOL GAMES - SILVER

Once again, we have also been awarded the Silver Kitemark Award for School Games 2025/2026! We have achieved this for our continued commitment and engagement with school games for this academic year. The School Games Silver certificate will be displayed in our school office and the new Silver Kitemark will be updated on the school letterhead paper.

WHOLE SCHOOL ATTENDANCE

Congratulations to our winners **Year 5 Jemison** who have the highest year group attendance for the **whole school academic year!**

- 1st - 97.9% Year 5 Jemison
- 2nd - 97% Year 2 Mandela
- 3rd - 96.8% Year 1 Mandela
- 4th - 96.3% Year 5 Farah
- 5th - 95.4% Year 6 Jemison
- 6th - 93.9% Year 4 Farah
- 7th - 93.4% Year Reception Kahlo
- 8th - 92.8% Year 3 Angelou

Just a reminder that the school follows the Local Authority guidelines and report children's absence that falls below 96%, regardless of it being due to medical/ illness. We strongly encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, pupils should be out of school for the minimum amount of time necessary.

An email was also sent last week with our attendance letter and term dates. This is to remind you all that the children should be in school during term time.

Attendance Ladder

SCHOOL UNIFORM REMINDER

Next year, we expect all of our children to come into school every day wearing the correct school uniform, which can be purchased from Uniform4Kids on Hertford Road. The green Delta jumper or cardigan, and the white Delta polo shirt will be the only items that should display our Delta logo.

Delta book bags and backpacks can be purchased from the school office so that children can show their pride in being a Delta Child!

Green Delta school jumper or cardigan with school logo

White Delta polo shirt with school logo

Black school shoes or plain black trainers (no open-toed sandals)

Summer dress or Black skirt

Black skirt or Black trousers

Black shorts (boys and girls – must be knee length)

Reception to Year 2

Year 3 to Year 6

- Long hair must be tied back for school
- Jewellery is limited to one pair of small stud earrings and a plain watch
