

The Lighthouse

Help the cheeky seagull find her way through the maze to get to the lighthouse for her lunch.

Postcard from the Lighthouse

A large rectangular postcard template. In the top left corner, there is a square box for an address. In the top right corner, there are four vertical lines for a stamp. A horizontal line is drawn across the middle of the postcard, indicating where to write a message.

Write a postcard from the lighthouse keeper to his friend to tell them about what happened.
